OBITUARY
Ralph C. Lewis
BROWNFIELD - Ralph C. Lewis, age 64, died on November 28, 2019 surrounded by his family at Maine Medical center in Portland, Maine. He was the youngest son born to Helen and George Lewis in February of 1955 in North Conway, New Hampshire.

Ralph joined the Army in 1974 and served for four years before later joining the Army National Guard and serving 18 more years. His time in the military provided him with many stories to tell, especially of his time stationed in Germany. Although many of his stories were not suitable for public consumption, he loved telling them anyway! He was a man who always said what was on his mind with no apology. He liked being known as someone who told it like it was!

His kids have fond memories of their father teaching them a ridiculous dance move he insisted was popular in Germany at the time.

In 1996 Ralph fulfilled his dream of opening his own garage in his hometown of Brownfield where he worked as a mechanic and car salesman. He never liked taking orders from anyone else so being his own boss was a great source of pride.

On July 4, 2006 Ralph got married for the 3rd time to Susan Witzell. Ralph is pre-deceased by his father, George Lewis; his stepfather, Arthur Blake; and older brother, “baby” George Lewis.

Ralph will be remembered as a hard worker who loved his family, loved to party, and lived life his way. Those closest to him knew that under his rough exterior he had a big heart and would do anything for the people he loved. If you ever gave him a good by he’d tell us all “to be good, or be real bad”!

At Ralph’s request there will be no formal services held. Friends and family are invited to share their memories of Ralph at a celebration of life party to be held on January 26th at the Brownfield Lions club from 4 to 6 pm.

OBITUARY
Daniel H. Keef
CASCO - Dan the Barber (Daniel H. Keef), 70, of Casco died peacefully on Thursday afternoon, December 12, 2019 in the comfort of his home in Casco.

Dan was born on August 8, 1949, in Portland, a son of George and Jane Keef.

He graduated from Windham High School in 1968. Dan received a medal for perfect attendance. Soon after graduating Dan enlisted in the US Navy serving aboard the USS Coontz (DLG-9/DDG40). Dan came away from his time of service with friends that, after many years, he is still in touch with.

Upon his return he used the GI Bill to attend Barber school and for the next 46 years served various communities as Dan the Barber. He worked alongside Keith McGrath for 14 years at North Windham Barber & Style. Most notably he worked in his own barber shops in Windham and Kezar Falls, and for the last 16 years on Rte. 302 in Casco. Dan loved being a barber and cut thousands of “friends” hair over his 46 years.

Dan loved cycling and was quick to share his enthusiasm for it with others. He had an affinity for the National Inquirer and Maine Lottery, but his greatest pleasure was time spent at his family’s camp in Eustis. It was in Eustis that he also fostered his love of fly-fishing, particularly in the waters of Tim Brook.

He leaves behind his mother, Jean Keef of Windham; his wife, Deb (Tancrel) Keef, whom he married at their home in Casco on February 14, 1980; his daughter, Ann Marie Mullins of Lewiston, John Wing and his wife, Carol; Jeff and Julie James of Standish; his stepdaughter, Sandra Watts of Cornish; his cherished lifelong friend, Charles Whitney of Cornish; sister-in-law, Shirley Kiskila Huff of Standish; brother-in-law, Arthur Kiskila of Cushing; and his nephew, Scott Reed of Scarborough.

A burial service will be announced in the spring at Riverside Cemetery in Cornish. Online condolence messages can be submitted at the Poitras, Neal & York Funeral Home website, www.mainefuneral.com.

OBITUARY
Arthur A. Welch
CORNISH - Arthur A. Welch, age 86, of Cornish, went to be with our Lord on December 15, 2019. He was born in Mexico, Maine on November 17, 1933 to Percy and Dora (Davis) Welch.

Christmas in Cornish a Success!

Thank you to the Cornish Flag & Parks Committee and the many volunteers for a beautifully decorated park. Kezar Falls Fire Department for hanging the lights on the tree, all the volunteers who baked cookies, Sacopee Valley High School Chorus for leading the music. The Inn at Cornish for cocoa and hosting Santa, to the local businesses who hosted the Polar Express activities, All Agog for organizing the Polar Express event, the Bonny Memorial Library for hosting the Polar Express reading, and the Sacopee Veterinary Clinic for sponsoring the event and CAB.
Thank you to all who came out on Friday and Saturday to enjoy Christmas in Cornish!

Pet Needs! PET TIP!

All the lights and baubles you use to adorn your Christmas tree can pose a real threat to your pet. Veterinarians say pets can easily die from electrocution, internal injuries, or intestinal blockage after enjoying a decorative snack. Be sure you fasten holiday lights to your tree and place cords out of reach of your curious pet’s mouth.

As the year ends, we cannot stress how much we value each customer, old and new. Our relationship with our customers, friends, community members and businesses is something that we continue to treasure. It has been an honor and a pleasure to work with you this year. 2019 was a record year for our 47th year in business, which included some challenging and fast-paced projects! We wish you the best of holidays and a prosperous 2020.

We were saddened by the loss of Paul Y. Estes on January 9, 2019 and Elizabeth Estes on April 5, 2019. Both Paul and Betty left a legacy of the importance of hard work, generosity, and family. Not a day goes by that they are not greatly missed, but we hold all of the fond memories in our hearts forever.

Once again, we were happy to have been a part of the Q97.9 Cans for a Cure Fundraiser with Bryce and Riley Deshaies, along with William Day Jr. & Sons Logging and Chipping. Bryce and Riley had a great year raising over $9,700.00. Patrick Dempsey even paid a visit one Monday morning to meet both Bryce and Riley! This was extremely exciting to see Patrick thank them both for their hard work! All money raised stays in Maine through the Dempsey Foundation! Thank you to Bryce and Riley and their family for their huge efforts which help benefit the Maine Cancer Foundation and the Cancer Community Center. Unfortunately, we all seem to be touched by this horrible disease in one way or another.

Thank you for the Memorial Day events that occur in our community, a chance to show our gratitude and respect. It is important to honor all of the men and women who have given their lives to the cause of freedom. Thank you to the Maine Veterans Home in Scarborough and everything that they do for our Veterans.

Thank you to Sacopee Valley Rescue for their “Stuff the Ambulance” toy collection event.

Thank you to everyone that makes End 68 Hours of Hunger a huge success!

Please continue to support the Industrial Arts and Vocational Programs at Sacopee Valley High School. SAD #55 is doing great things, one of which is realizing the importance of these programs while continuing to offer great opportunities for our youth. The American Welder's Society says there will be 450,000 openings in the field by the year 2022. Through efforts within our school district, along with a partnership with White Mountains Community College, SAD #55 is now offering classes to fill those future positions. These programs give our young people meaningful opportunities to pursue interests within the Vocational and Industrial Arts fields.

With busy times during the holidays, pause to remember the positive things that take place in our area. With the support of those around us, the people of our local communities continue to respond by helping neighbors and causes in need during challenging times. We wish to stress our support for all of the fundraising projects for the communities in which we live and the people and businesses which give to these projects.

A SPECIAL THANK YOU TO OUR EMPLOYEES:

Thank You for your dedication to the company and very long, hard hours of work that made 2019 a successful year!

Merry Christmas & Happy New Year from everyone at

Welcome Wagon
Limerick Style...

The new owner of the Jeremiah Mason House Bed & Breakfast on Main Street had a great welcome to the Town of Limerick! It started with a town official informing this new business owner that the property value just went up another $117k because the previous owners never got any building permits for all the work they had done for the last 9 years, including transforming the barn into apartments.

Again, this is Limerick! It’s all in who you are and who you know!

Hard wired smoke & fire detectors who needs them? Evidently the new owner’s insurance spotted this violation.

Then came the issue of Yellow water and its almost 50% price increase, question was it tinted, or flavored water? None of the above, just Limerick Water District not the Town of Limerick because the town doesn’t have anything to do with it except support it with our tax dollars even if you don’t use it, you’re paying. While the district states it is OK to drink and use the Yellow water, someone will tell the new owner it is not the same with the Yellow snow.........

Undoubtedly no town official told the new owner that we don’t plow the sidewalk on Main Street we just clear the sidewalk on Washington Street for $1100.00 every storm. More proof that we are not business friendly! Maybe the new owner could get the property devalued “like the old bank building it went from $436,000.00 to $143,000.” Welcome to our town and our way of doing things - where we always leave the light on at the porta-potty.
