**WinterKids**

Students at HB Emery, Jr. Memorial School are Going for the Gold in the 3rd Annual WinterKids Winter Games!

Limington - Students from HB Emery, Jr. Memorial School are participating in the WinterKids Winter Games for the month of January. Students compete in a four-week series of outdoor physical activity and nutrition challenges designed to help them be active in the winter and learn healthy habits. Each school is encouraged to involve volunteers, parents, healthy eating and active living organizations in their community, and had a winter carnival to close out the month’s events. This year’s WinterKids Winter Games theme is STEAM (science, technology, engineering, arts, and math).

WinterKids selected two schools in each of Maine’s sixteen counties to participate this year for a total of 7,220 students and 750 teachers. Schools compete for weekly points based on the total percentage of the student body that participates. HB Emery is one of the York County schools for 2020.

“We were thrilled to be selected to participate in the WinterKids Winter Games. This is an exciting opportunity to showcase healthy behaviors with our students, and to work towards earning prizes for our school. We have a series of activities planned this month, including snowshoeing, bobsledding and snowman building.”

Schools participating in the WinterKids Winter Games accrue points for cash prize awards: $5,000 - Gold Medal School; $3,000 - Silver Medal School, and $1,500 - Bronze Medal School. There are honorable mentions and prizes for all participating schools.

For more information about HB Emery’s involvement in the WinterKids Winter Games, please contact Charlotte Regan, Principal, at 207-637-2066 or email at oregon@bunnyrayeagle.org. **Fryeburg to Welcome Pihcintu Multicultural Chorus**

Fryeburg Academy’s Leura Hill Eastman Performing Arts Center presents the Pihcintu Multicultural Chorus on Monday, January 20 at 2:00 pm.

Welcoming immigrant children from around the globe, the Pihcintu Multicultural Chorus helps restart young lives. War-torn villages, refugee camps, famine, and political turmoil were devastating realities for many of these young singers before being embraced by the warmth, companionship and harmony that Pihcintu provides. Portland, Maine, an ever-expanding international resettlement community, was fertile ground to bring together children from diverse backgrounds to sing as one. Con Puliam, award-winning producer, musician, and songwriter, combined his passion for music with a deep concern for the effect of world issues on children - creating the Chorus with the help of countless supporting souls from all walks of life.

This unique chorus of young women from Cambodia, China, Congo, El Salvador, Egypt, Kazakhstan, Kenya, Lebanon, Saudi Arabia, Somalia, Sudan, Uganda, Viet Nam, British West Indies, and Zambia, along with children whose families have been here for generations, have formed a powerful and permanent bond. Through the healing power of music, these vulnerable but brave, young women have learned to trust, hope and laugh again. The children and their music are transformative. Being in their presence is a life-enhancing experience and they touch the hearts of all who hear them!

This concert is presented in cooperation with the MLK Community Choir (directed by John Waldie and Greg Huang-Dale) and the Fryeburg Academy Chorus (directed by Mimi Rohlfing). Admission is free, but donations will be gratefully accepted.

Please call the box office at 207-935-9232, or email boxoffice@fryeburgacademy.org, with any questions. For more information visit www.fryeburgacademy.org/pac.

Thank You!
from Bruce Nason
To my many good and very special friends.

WOW! What a complete surprise you gave me, I was stunned! As you know, my birthday was Sunday the 22nd. Well, I was born on Sunday the 22nd - 90 years ago! God has blessed and looked out for me through those 90 years. He gave me a mother strong enough to raise me alone without help, a stable home, an education, good job, a dear and loving wife, 3 great children (who I can blame for this shocking surprise) and again to my many close dear and special friends...

Thank You & God Bless
